**EMPOWERING WORKPLACES TO
ELEVATE EMPLOYEE WELLNESS**

ABOUT WWCMA

WWCMA is a community of wellbeing practitioners, employers, and service providers dedicated to improving lives. We provide a platform for sharing knowledge, resources, and best practices, enabling organizations to prioritize the wellbeing of their workforce.

VISION

We envision a vibrant community that embraces and fosters workforce wellbeing. Our vision is of a future where every member of the WWCMA community feels empowered to engage in impactful initiatives that can transform organizational culture and advance holistic wellbeing.

MISSION

Through meaningful partnerships and inclusive dialogue, our mission is to foster collaboration within the WWCMA community, promoting evidence-based knowledge and resource sharing among individuals and organizations who share our vision of endorsing workforce wellbeing.

PURPOSE

The WWCMA is driven by our purpose to promote the holistic wellbeing of every individual. Our aim is to create a lasting impact that extends beyond the workplace, enriching the lives of community members and contributing to the overall health and resilience of our society.

OUR REACH

WWCMA is the premier worksite wellness community bringing Northeast HR and benefits leaders together. Our reach extends throughout the Northeast and includes national employers, as members advance best practices, share thought leadership, and foster meaningful connections.
